Il Merano WineFestival è l'evento enogastronomico più esclusivo ed elegante d'Europa!

Il 4 novembre, la poesia del gusto inizia con "bio&dynamica": **50 selezionati produttori** presenteranno vini biologici, biodinamici e naturali, prodotti in armonia con la terra, il cosmo e il cielo stellato.

Dal 5 al 7 novembre **450 viticoltori** rinomati provenienti dalle più famose aree vitivinicole del mondo (Italia, Francia, Germania, Austria, Svizzera, Grecia, Serbia, Ungheria, Slovenia, Spagna, Portogallo, Cile, California, Argentina, Sudafrica, Australia e Nuova Zelanda) offriranno in degustazione i loro vini premiati dalla Commissione d'Assaggio del MWF.

100 Maestri Artigiani faranno assaggiare le loro prelibatezze gastronomiche (dai formaggi pregiati alle salumerie, dall'olio d'oliva all'aceto balsamico, dai dolci al caffè ecc.).
